

# Comprehensive Financial Services for Your Company's US Activities

Since its founding in 1995, Brooks-Keret has been a reliable name among Israeli companies expanding to the US, providing full financial management services to support their activities and growth. We make the effort to truly understand your goals and needs, and provide you with customized services you can rely on so that you can focus on your company's growth while leaving all of the financial activities to the experts.

## The Reliable Financial Services You Need to Expand to the US

The US economy is highly regulated, and you'll need to comply with federal, state, and local laws to maintain your presence in the US. Brooks-Keret's US team is there to help you with everything you need from day one.

This includes:

### Reliable US Financial Services

US laws and regulations differ significantly from Israeli laws, which is why you need a professional and experienced team that is well-versed in all current laws and regulations to provide you with the support you need when opening your US operations and planning your move. Let our team handle everything from a dedicated CFO, controlling and bookkeeping services, to payroll and employee benefits. Our end-to-end services include personal support in opening your US office and preparing documents for registration for a smoother move. We also work with US CPAs and local authorities, and provide support with visa and relocation processes.

### US Bookkeeping & Payroll

Our bookkeeping services include bank account and credit card reconciliation, travel and expense reports, ledger maintenance, inputting transactions, monthly reports, and more. Brooks-Keret assigns a dedicated team of experienced professionals to handle all payroll and HR, as well as benefits administration for foreign and local employees in full compliance with rules and regulations.

### Financial Administrative Support

At Brooks-Keret, we provide comprehensive financial services for your administrative needs, from processing approved payments and handling invoices to filing documents and ongoing administrative duties.

### Full Financial Support for your US Business Activities

When it comes to providing financial services and support, we believe in doing as much as possible to support our clients' business goals and reduce hassles. We will work closely with you to understand and meet your needs, from registration and finances, to dealing with banks and tax authorities. Our teams have extensive experience working with Israeli companies in the US. We know about the challenges, the cultural differences, and the laws your company faces, and we're here to support and grow with you. Let us handle your financial activities, so that you can focus on your US business activities.
